Coulsdon Town, Kenley, Old Coulsdon and Purley & Woodcote Wards

A few words from the Ward Sergeant:

This month the teams have been busy with a number of activities. With the move from lockdown more community engagement has been possible. This has been continued school and youth visits as well as a revival drop in sessions. The first of these were done at a number of venues on the weekend of the 10th, with the venues advertised on social media. They were well attended and with developments we hope to have more similar session in and outdoors like the previous contact points and 'Coffee with a Copper'. This month also saw our teams working with the National Crime Agency assisting with warrants and arrests of organized crime gang members involved in human trafficking and people smuggling across the Channel. Working with other Wards we have assisted with drugs warrants problems affecting our wards. The Ward officers will advertise the engagement and events through Social media and we look forward to meeting with residents with more events planned!

Yours Faithfully

APS Lambert Singer – Ward Supervisor.
