April Newsletter 2023

At the beginning of April Purley and Woodcote SNT arrested a male for drink drive, he blew 74mg on the breathalyser which resulted in the male being charged. He pled guilty and got a 18 month driving ban. This was all done two weeks between arrest and conviction.

Later on in the week whilst on patrol we had a male made of from police whilst we tried to interact with him, he was caught up with and arrested for drug drive.

The team has been proactive again and managed to recover two stolen vehicles In the space of a couple of days!

We enjoyed our visit to the Metropolitan Police Dog Training Establishment, we loved watching the dogs in action and learning about the skill sets that they have and how they can help us in our roles.

It was great to walk and talk around our ward with the neighbourhood watch and speak to some of our local residents, we look forward to doing this again.

We had a great Ward Panel meeting with our residents, councillors and the Bid, we discussed our statistics talked about our priorities and planned some points of action for the next few months. Thank you to Ranjiv our Ward Panel chair for leading this, and a thank you to reverend Fiona for letting us use St Swithuns church hall.

Lastly We look forward to seeing you at our monthly Coffee With A Copper event. It is really helpful to hear from as many residents as possible about concerns in the local area. And we love to engage with as many residents as possible!
