October Newsletter 2023

This month we have had yet another successful catalytic con-
vert marking event, we marked just over 20 cars providing de-
terrent and prevention.

The Safer neighbourhood team hosted a crime prevention stall
at Purley Tesco along with our outreach team who were re-
cruiting. We managed to talk to a lot of people answering
questions, offering advice and giving crime prevention. The
outreach team also were successful in having a lot of people
showing interest in joining the job.

There was also a launch of the Talkbus at Purley Tesco, the bus
was there to offer advice, guidance and information on health
and wellbeing issues for children, young people and families.
They visit schools, colleges, communities and public venues,
providing a safe space for all to access.

In an emergency,
always dial 999
