

Dear Residents

It was a pleasure for the SNT Team to be part of the events at this years Remembrance Day parade. The Scouts and Cadets marched very well and looked impressive. Sgt Brown was marching with the Police at the London Cenotaph in Whitehall this year. This is the SNT team's update of crime and policing for the month of November. The team as well as other wards in the cluster have been busy on shoplifting operations and Old Coulsdon Christmas light switch on. The team continue to work with partners and residents for intelligence lead policing to build **More Trust, Less Crime and High standard**. Below are the ward focus priorities reports

CONTACT POINT—These are face to face sessions that members of the public can attend and discuss any concerns you may have. Please see dates, times and location.

PRIORITIES

VIOLENCE AGAINST THE PERSON : The Ward has seen low levels of reports regrading Violence against the person cases reported in November (**1Common Assault, 2 ABH and 2GBH**) two of these incidents were neighbour disputes, college students dispute and a domestic incident. The team will continue to increase visibility with patrol and reassurance visits where possible.

Drugs: There was one report of potential class A and class B drugs importation to an address in old Coulsdon for November. This was intercepted at the airport and investigation is ongoing by SNT. This is a regular occurrence, nothing to worry about.

Vehicle Crime: The Ward has had a slight increase of motor vehicle crime in November. (**2 x Vehicle Interference, 2 x Theft of a Motor Vehicle and 3 x Theft of a Motor Vehicle**). The suspects are using all sorts of methods to gain entry to vehicles. Investigations continue with the help of the Victims and any witnesses. The team will continue to work with residents where information is provided to concentrate our patrols in targeted areas.

HOW TO KEEP YOUR VEHICLE SAFE

Check for cloning before owning your car

Lock your vehicle

Keep the keys safe

Be aware of carjacker

Fit in good in-car security locks

Put the keys in a screened or signal-blocking pouch, such as a Faraday Bag and check if the bag or pouch is still working every few months.
