January Newsletter 2024

This past year robberies have been a cause of concern In Purley and Woodcote, however Purley SNT successfully arrested a male that has been responsible for multiple robbery offences. A good result meaning children could feel safe walking to and from school.

School patrols continue to be a part of our daily patrols in January, patrolling the bus stops, around the schools and the High street.

We are also pleased to say the alley in Purley has been clear from delivery motor bikes parking and congesting the area and their homes, also in regards to this alleyway you will now notice the abandoned vehicle has been removed and the footpath is now clear for members of the public to use.

Following intel that we received regarding potential firearm and an offensive weapon stored at an address. The team successfully obtained a search warrant from the court and carried this warrant out with help from Kenley, Old Coulsdon and Coulsdon Town SNT.

On Tuesday the 23rd of January Coulsdon Manor Golf Club held the New Met For London meeting for the south of Croydon residents. We thank everyone that took time out of their evening to come and join us.

Lastly it was a pleasure to be apart of the Purley Bazaar market launch, meeting our lovely residents and it was a chance for us to catch up with Catherine and Simon from the local BID, the Civic Mayor and the local MP Chris Philp.
