

Dear Residents,

Here is the Old Coulsdon February update for crime and policing - we have worked with other ward teams and conducted visibility patrols and reassurance visits where crime has taken place, we continue to do our best to work with Policing Partners, Outside Agencies and Residents for intelligence lead, to build **More Trust, Less Crime and High standard**. Below are the ward focus priorities

CONTACT POINT—These are face to face sessions that members of the public can attend and discuss any concerns you may have. Please see dates, times and location.

Ward Panel Meeting. 22/05/2024
7pm at Old Coulsdon Centre for the Retired, Grange Park, Coulsdon Road, CR5 1EH

PRIORITIES

Violence against the Person: We had low reports of Violence against the person cases reported in January (**3Common Assault, 1 ABH and 1GBH**). 3 of these incidents were committed in private premises between people known to each other (Domestic) 1 incidents at school. We will continue to increase our visibility patrol and reassurance visits where possible

Drugs: We had 1 drug offence reported to SNT in the month of February (possession of cannabis). While on a reassurance visit, the Old Coulsdon Safer neighbourhood team received a call Regarding a group of people smoking cannabis at Deans Walk Footpath. SNT promptly attended the area and found 3 students in possession with cannabis and grinder. Details were obtained and college has been informed. We continue to work with residents where information is provided to concentrate our patrols both on foot and mobile in a more needed area.

Vehicle Crime: We had 9 vehicle crime reports to the Safer Neighbourhood Team in February (**3Theft of a Motor Vehicle and 4Theft from a motor vehicle and 2 attempted**), the latter where suspects gained entry using keyless devices to enter people's cars to steal valuable items or the cars themselves. An investigation has been conducted with support and evidence provided by victims. We continue to work with residents where information is provided to concentrate our patrols in targeted areas.

faraday bag advice

Put car keys in a screened or signal-blocking pouch, such as a Faraday Bag and check if the bag or pouch is still working every few months. Ensure your faraday bag is stored in a location where signal cannot be detected

OTHER NEWS

As you May be aware, Deans Walk Footpath has unfortunately become the hotspot for anti-social Behaviour, SNT conducted a stop and search at the location during which students were found in possession of cannabis and a grinder. The college has been informed, further actions will be taken by the SNT.

If you would like to receive the monthly update and get the latest statistics and information in please email the team and ask to be on our mailing list .
