

Dear Residents

Here is the Old Coulsdon March update for crime and policing - We have worked collaboratively alongside other wards on shoplifting operations, as well as visibility patrols, both on foot and mobile in hotspot areas. We continue to do our best to work with Policing Partners, Outside Agencies and Residents for intelligence lead policing, to build **More Trust, Less Crime and High standard.**

CONTACT POINT—face to face contact

Ward Panel Meeting. 30/05/2024
1900hrs at Old Coulsdon Centre for the
Retired, Grange Park, Coulsdon Road,
CR5 1EH

Pistachio Cafe

24th of April
1200-1300

PRIORITIES

VIOLENCE AGAINST THE PERSON : We had low report of Violence against the person cases reported in March (**3 Common Assault**) 1 of the incident took place on the buses and 2 domestic incidents. We will continue to increase our visibility patrol and reassurance visits where possible.

Drugs: We had 1 anti-social behaviour incident involving drugs reported in March. Residents reported a group of students smoking cannabis at Deans walk footpath. We continue to work with residents where information is provided to concentrate our patrols both on foot and mobile in a more needed area.

Vehicle Crime: We had **4** vehicle crimes reported to the Safer Neighbourhood Team in March (**3 Vehicle interference 1 theft from a motor vehicle**). The victims vehicle was broken into whilst parked on drive overnight and work tools stolen. An investigation has been conducted with support and evidence provided by victims.

HOW TO KEEP YOUR VEHICLE SAFE

Check for cloning before owning your car

Lock your vehicle

Keep the keys safe

Be aware of carjacker

Fit in good in-car security locks

Faraday Bag Advice

Put car keys in a screened or signal-blocking pouch, such as a Faraday Bag and check if the bag or pouch is still working every few months. Ensure your faraday bag is stored in a location where signal cannot be detected

OTHER NEWS

Safer neighbourhood Team will be marking Catalytic converter at Tesco Purley on the 25th of April 2024 at 1000-1300hrs.

Catalytic converters are devices fitted to vehicle exhausts to reduce the amount of dangerous gases emitted. They are often targeted by thieves as they contain valuable metals and can be removed in less than a minute.

If you would like to receive the monthly update and get the latest statistics and information in please email the team and ask to be on our mailing list .
