

Dear Residents

Here is Coulsdon Wards update for the month of November. In line with ward priorities, the Coulsdon wards have worked collaboratively well with other wards for remembrance day events, knife Arch Operation at Coulsdon Sixth Form College, warrant operation and as well as actively conducting foot patrols around local shops in Coulsdon Wards and areas identified as hotspots for anti-social behaviour, we have also worked with other teams on visibility school patrols both on foot and mobile. We continue to do our best to work with Policing Partners, Outside Agencies and Residents for intelligence lead policing, to build **More Trust, Less Crime and High standard**. Below are the ward focus priorities reports

PRIORITIES

VIOLENCE AGAINST THE PERSON :We had a slight decrease of violence against the person reported in the month of November on both wards(**8 Common Assault ,4 ABH and 1GBH**) majority of these assaults are committed in private premises and some currently under investigation. We will continue to increase our visibility patrols and reassurance visits where possible.

Burglary: We have 3 residential burglary reported to Safer Neighbourhood Team in the Month of November, We will continue to distribute leaflets and carry out reassurance visits where possible.

ASB: We had a slight decrease of ASB on both wards in this month of November, some of the reported incidents of anti-social behaviour involve disputes between neighbours over parking, anti-social behaviour of vehicle noise. SNT conducted anti-social behaviour on awareness day week and residents were able to raise their ABS concern around the area. We will continue to take actions to tackle ASB issues where possible .
