

# Coulsdon Wards

## October Newsletter

Dear Residents,

Here is Coulsdon Wards update for the month of October. In line with ward priorities, the Coulsdon Wards have been actively conducting foot patrols around local shops in Coulsdon Wards and areas identified as hotspots for anti-social behaviour, we have also worked with other team on visibility school patrols both on foot and mobile. We continue to do our best to work with Policing Partners, Outside Agencies and Residents for intelligence lead policing, to build **More Trust, Less Crime and High standard**. Below are the ward focus priorities reports

### PRIORITIES

**VIOLENCE AGAINST THE PERSON** :We had a slight increase of violence against the person reported in the month of October on both wards(**13 Common Assault and 5 ABH**) some of these incident are domestics and school incidents. We will continue to increase our visibility patrols and reassurance visits where possible.

**Burglary**: We have 2 residential burglary reported to Safer Neighbourhood Team in the Month of October, SNT collaborated with other teams to conduct plain clothes patrols. We will continue to distribute leaflets and carry out reassurance visits where possible.

**ASB**: We had a slight increase of ASB on both wards in this month of October, some of the reported incidents of anti-social behaviour involve disputes between neighbours over parking ,noise complaints and E-scooter riding on pavements. In response , SNT issued a warning on social media to reminds residents about regulations surrounding E-scooter use. Additionally, SNT carried out plain clothes patrols in areas identified as sites for anti- social car meet. We will continue to increase our reassurance visits to give crime prevention advice where possible as well as mobile and foot patrols where possible .
